

Pre- and Post-Session Evaluation

Managing Hemorrhage as a Complication of Uterine Aspiration

Name (or initials) _____
Before (after) the Complication Workshop, please fill out the following assessment.

1. What is the most common cause of bleeding in first trimester uterine aspiration?
 - a. Bleeding disorder
 - b. Retained tissue
 - c. Atony
 - d. Trauma
2. Which of the following medications should NOT be used for a patient with hypertension?
 - a. Hemabate
 - b. Methergine
 - c. Misoprostol
 - d. Vasopressin
3. Where do most perforations occur in the setting of first trimester uterine aspiration?
 - a. Fundus
 - b. Lower uterine segment
 - c. Lateral aspect of the uterus
4. The ultrasound finding of free fluid in the cul-de-sac during a uterine aspiration should raise concern for:
 - a. False tract
 - b. Uterine perforation
 - c. Hematometra
 - d. Anembryonic pregnancy
5. What are risk factors for hemorrhage during a first trimester uterine aspiration?
 - a. Previous hemorrhage
 - b. Increased parity
 - c. Gestation greater than 10 weeks
 - d. All of the above

On a scale of 1 to 5, please respond using the following scale:

1	2	3	4	5
Disagree Strongly	Disagree Somewhat	Neutral	Agree Somewhat	Agree Strongly

1. I know how to recognize a case of hemorrhage during a first trimester uterine aspiration.
1 2 3 4 5
2. I feel competent to manage case of hemorrhage during a first trimester uterine aspiration.
1 2 3 4 5
3. I am ready to take a leadership role and delegate during a complication of uterine aspiration.
1 2 3 4 5
4. I can stay calm under pressure during an acute complication of uterine aspiration.
1 2 3 4 5
5. (Post-only) This workshop helped prepare me to manage aspiration-related hemorrhage in future practice.
1 2 3 4 5
6. (Post-only) This workshop helped prepare me to assess the cervix for bleeding.
1 2 3 4 5
7. (Post-only) This workshop w helped prepare me to perform the "cannula test" for bleeding source.
1 2 3 4 5
8. (Post-only) This workshop w helped prepare me to perform uterine tamponade with a foley.
1 2 3 4 5

OVER

9. (Post-only) What is one change that you will make in your practice as a result of this workshop?

10. (Post-only) Further comments:
