

TEACH 2021-2022

Annual Impact Report

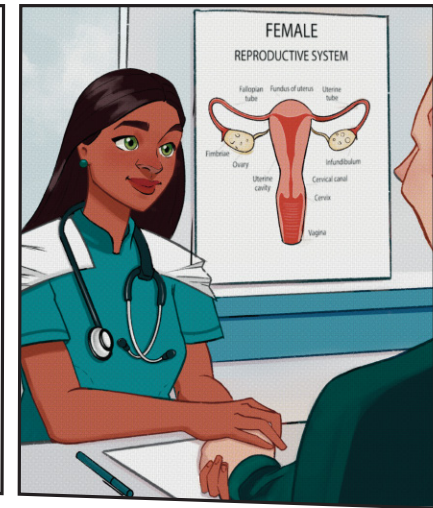

ABORTION PROVIDERS ARE REPRODUCTIVE FREEDOM CHAMPIONS.

- In anticipation of the fall of Roe, TEACH leadership worked closely with CA Asm. Cottie Petrie-Norris and the Future of Abortion Council to sponsor AB 1918, the [California Reproductive Health Service Corps](#), and advance our bill through the House and Senate.
- AB 1918 was signed into law by Gov. Gavin Newsom on September 27th, 2022, creating the first of its kind state funded abortion workforce development and training program in California.

ABORTION PROVIDERS PROTECT COMMUNITIES AND KEEP FAMILIES HEALTHY.

- **2,391 abortions provided** by our residents at local clinics
- **69 residents trained in comprehensive abortion care**, including options counseling and provision of aspiration and medication abortion.

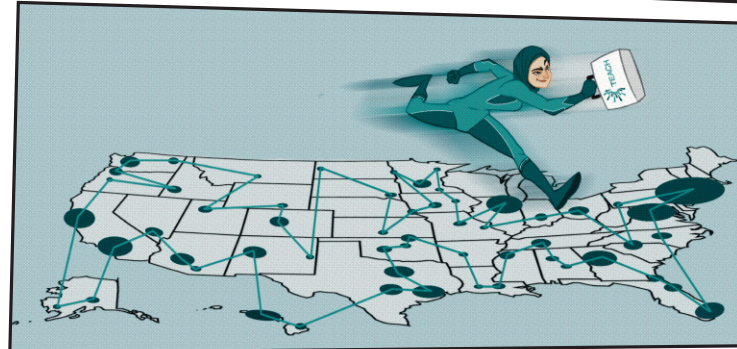

Reproductive Justice
Abortion
Miscarriage Management
Contraceptive Counseling

NO DISTANCE IS TOO FAR TO TRAVEL FOR RESIDENTS TO PROVIDE SKILLED AND COMPASSIONATE ABORTION CARE.

- **8 residents completed external rotations** at clinics across the US
- **3 residents received \$2,000** FutureGen External Rotation Funds to train in Mexico City and Kansas/Oklahoma

ABORTION STORYTELLER'S SMASH STIGMA ONE STORY AT A TIME.

- Our 6th annual storytelling event, **"Beyond the A Word"** brought together over 250 community members to break the stigma and silence of abortion, celebrate abortion providers and support TEACH
- **650 listens** of our podcast "Beyond the A Word"

ABORTION PROVIDERS FIGHT FOR HEALTH, FREEDOM AND JUSTICE.

- **50 2nd year residents** trained in comprehensive reproductive healthcare
- **19 advanced CREATE residents** trained and mentored in abortion care, leadership, reproductive justice and advocacy

OUR ABORTION TRAINING CURRICULUM DEVELOPS A NEW GENERATION OF REPRODUCTIVE HEALTH SUPER HEROES.

- New and revised **7th Edition of the TEACH Abortion Training Curriculum** launched
 - + **18,241 visits** to our Abortion Training Curriculum website
 - + **110 hard copies** of the TEACH curriculum sent to 52 cities across the US
- **174 course completions of online medication abortion course** by primary care providers in 5 countries

THANK YOU FOR INVESTING IN A STRONG AND DIVERSE ORGANIZATION AND COMMUNITY OF EVERYDAY SUPER HEROES THAT SAVE LIVES AND FIGHT FOR A MORE JUST WORLD FOR ALL.

The generosity and support of our community has made our aspirations a reality. Thank you to our incredibly resilient, dynamic and compassionate community for your continued support, nourishment and cultivation of TEACH.

A special thank you to our incredible training faculty, volunteers, residency partners, training partners, individual donors and foundations for their support of TEACH in 2021-2022. Your dedication, personal investment, and commitment to our collective mission are what make TEACH thrive.
